A letter from the principal:

Greetings from Ranwadi Churches of Christ College,
Ranwadi Churches of Christ College is proud to have for the first time produced a CD of praise and worship songs. Praising and worshipping God is part of the college culture.

We have morning and evening devotions each day as well as having Sunday morning and evening worship, and we all attach great importance to this, Ranwadi College provides an avenue where students come to learn academically but to also listen to God's word which adds value to their lives to help them become useful and involved citizens.

We hope that the songs on this CD will be a blessing to all those who listen to it. Thanks to Mr Colin and Daniel for the recording.

God's blessings!

Albert Bule,
Principal
